

Testimonials

Thanks for opportunity you provided. My son has had a difficult time finding a sport he really likes and he has already told us he's looking forward to golf next summer!

-Brian & Gretchen J. Fond du Lac, WI

My daughter enjoyed the Junior Golf Program at Rolling Meadows. It was well organized and lessons were planned according to each level's ability. Her stance and swing improved during the course. I would recommend this class to anyone who is serious about becoming a better golfer.

-Kristy P. Fond du Lac, WI

-Chris S. Fond du Lac, WI

I really liked it because it was fun and I learned about golf. It was fun to play a game of golf on the course.
