NOTE: We are not doing rounds this year so team with the most points at the end of the season will be the league winner. The schedule can be revised at the end to cover for a couple of rain out dates if needed. We have no fun night scheduled but can plan one if the league members are interested. Just have to determine when and what activity. We will all gather at a selected location after golf September 2nd (Wk18) to enjoy drinks and pizza, and hand out prizes.

- *NO Practice night - I'm not scheduling a practice night due to lack of participation in past years.
- * **RAINOUTS - If we are out on the course and get called in due to rain then we will take the team points for all holes that the last team out has completed; i.e. if all teams have completed four holes then we include the total points for those four holes. Please make sure you hand your card into Jan or Bob before you leave the golf course.**
- * There is no limit as to the number of strokes you are assessed. Put down your actual score on each hole.
- * Special drop holes: Same as last year (Holes #1-go over water and #7 on the front nine.)
- ***Sub policy**
 - * The expectation is that you will get a sub if you are going to be absent.
 - * League rule for paying for subs is that it is up to the person/team. If sub expects you to pay then you will have to work that out with him/her personally.
- *Absentee scoring rules: If both members of a team are absent without subs, that team will earn zero points.
 - A team playing another team missing one or both members will use a score from another team. That score will only count towards points on team with both members.(Point is to not allow points for no show)
 - A number will be drawn after the round to determine what team score will be used.
 - If one team member is absent without a sub, team can earn a max of **13.5** points for the member that plays.
- * **No play off round this year!**
- *Regular" members must play 2 nights to get handicap (if don't have) but subs only play once to establish handicap.
- Remember you MUST play the ball where it stops unless a golf course rule allows you to move it.**

CANCELTION POLICY

Since we have several league members that require a cart, we are going to make it a policy that if the course won't allow carts then league golf will be cancelled. Those that still want to go out and walk the course may certainly do so, but scores will not be applied to league handicaps or team points.
