

## COURSE UPDATES DURING SHUTDOWN

Best wishes to you and your families as we enter week 2 of the Safer at Home shutdown. As the temperatures warm we realize it is frustrating to not be playing golf but despite many requests from golfers, state officials and [the petition](#) with over 63,000 signatures golf is still shut down.

We did have a couple people, who were not recognized as regular customers try to take advantage of the situation and use your closed golf course. In result we have blocked off the parking lot to eliminate this practice.

The skeleton staff is starting to clean up the property from winter debris and weather permitting will start a minimal mowing schedule next week to prepare for when we are able to open. With greens mowed at 1/8" and tees and fairways at 1/2" regular grooming is required.

## LAUGHTER ON THE LINKS

A golfer tried three straight times to hit a golf ball over the inlet of water between him and the green. But each time the ball splashes into the drink. In utter frustration the golfer said, "Caddie, take my clubs on in, I'm going to jump into the water and drown myself."

The caddie replied, "I doubt that, sir. You couldn't keep your head down long enough to drown!"

## KLEINKE'S SCORECARD

Jeff and his family have the Pub and Grill ready to go when this is over. With more seating and a new look the area will be a great place to relax after your round or to set up a family or business gathering. Here is a sneak peak at some of the new look.

## STAY HOME & STAY SAFE

Call or email if you need anything and we hope to see you soon!
