## Laughter on the Links

I was playing with this 85-year-old man recently on a course that I was unfamiliar with. On the third hole, I asked him what's the best part of the fairway to be on, and he replied, "the top."

Two men ran out to the course for a quick nine after work. They get to the tee and see two ladies playing ahead of them.

One of the men complains that the ladies will slow them down and says he is going to ask if they can play through. He goes halfway to the ladies and turns back.

The other man asked what was wrong. The man said, "I can't go up there that's my wife and my mistress."

So the other man says he will go. He goes halfway and comes back. His partner asked what happened and the man replied, "Small world, huh?"

Enjoy Your Game!
