## Events

Check out our [online calendar](#) to see what public events are coming up that you can support and enjoy. If your event is not listed please [email us](#) the information and any related links and we will post it.

- July 16th - [Stroke of Luck Big Cup -](#)
- July 30th - [Helping Our Heroes -](#)
- Aug 5th - [Take a Swing for the Arc](#)
- Aug 6th - [Bernie Jones Big Cup](#)
- Aug 13th - [Press Box](#)
- Aug 14th - [Inner Rhythm for Salvation Army](#)
- Aug 20th - [Julie Riese Memorial](#)

## On the Range

Mid-season is a great time to hone in on your game, with lessons or extra range time. Remember our putting green and chipping green are always

here for free to practice that all important short game. [Email us](#) to get more information on individual or multi player lessons.

## Around the Course

The course could use a few more drops of rain but overall continues to be in terrific condition, thanks to our hard working grounds staff. Saulte!

By the time you are reading this, green aerification will be healed and a distant memory. We contracted a new machine called the "[dryject](#)" to do the job quicker and ensure we get sand in the holes. We had a few machine breakdowns from the contractor, but we achieved the goals of sand in the holes and healthier greens.

You may have noticed some ponds are low with the dry weather. The lower ponds on holes 1, 9, 10, 18 and 27 are fed by industrial park runoff. When we expect a big rain we open our dam to reduce flooding. A big rain was forecasted so we lowered the ponds. But the rains missed us so the ponds will remain low until we get a normal rain.

The irrigation pond by holes 8, 11, 12 and 17 is low due to extra watering with the dry windy conditions this month. Our well can supplement the pond, but rains are needed to keep it full during times of high evapotranspiration.

## The Golf Shop

We still have a good selection of golf bags and push carts to help you look good as you navigate the links.

We can order clubs and bags from Titleist, Taylor Made, Cobra and Ping. If you see something you like let us know and we will get you a quote.

Remember the best way to make a tee time is to plan ahead. Some days and times we are busy and may not be able to fit you in if you did not call ahead. The tee time hotline is 920-924-2424, use our app to make tee times and as a yardage guide, or go the [website](#).

## The Pub and Grill

Now is a great time to set up your family or business holiday parties at Kleinkie's Pub and Grill. Stop in to talk to Jeff or [email him](#).

## What are they building next door?

The Meadows assisted living is building a memory care unit next to their current building. Being good neighbors we are allowing them to store some dirt on the mounds we share on hole 27. They hope to have the area shaped and seeded by fall.

We do have the area marked as ground under repair allowing free relief for the ball, swing and stance from the area under construction and the silt fence itself.

## Laughter On The Links

A U.S. citizen is vacationing on his own in Ireland. He decides to play a round of golf and is paired with three local gents. He takes a few practice swings, steps up to the first tee, and proceeds to hook the ball out of bounds. He shakes his head, reaches in his pocket, and re-tees another ball. He tells his playing partners that he is taking a Mulligan. He pounds one down the center of the fairway about 280 yards out.

With a big smile, he asks the others "In the U.S., we call that a Breakfast Ball or Mulligan; was wondering what you called it here in Ireland." After a moment of silence, one of the locals replies, "Hitting three."
