Subject: Thank you golfers for a great opening week.

Thank you for a great opening week.

With Mother Nature's help we went from snow, to the range is open, to walking golf on Thursday to a full golf course with carts on Saturday. Thank you to everyone who came out and played or hit balls. The forecast shows a few cold days and then it looks like another nice weekend coming up to enjoy our 27 hole course. To make tee times go [online](#) or call us at 920-924-2424. Plan ahead so you are not disappointed if your preferred time is taken for Saturday. With the up and down weather in late winter/ early spring feel free to call to ensure we are open on cold, rainy or snowy days before stopping out.

By supporting the Wisconsin State Golf Association you support statewide junior golf their tournament series and the WSGA also advocates for the benefit of all golfers. It was through their efforts last spring golf was able to open while many other businesses were shuttered.

Online Choices

There are so many choices online it can be hard to keep up as a consumer or a business.

Our [website](#) is the best way to keep up with news and events and features a link to the online store, calendar and the online tee sheet to make tee times.

The Rolling Meadows App can be downloaded from the Google Play Store or Apple Store and is the easiest way to make tee times. You can also pay and check in from the app. The app features a scorecard and a gps yardage guide.

You can follow us on social media to keep up with news and stories. Twitter (@RMGCFDL), Instagram (rmgcfdl) or Facebook (@RMGCFDL). What is a twitter and face-who you ask???? Don't worry about it and spend your time playing golf.
