

## Safer At Home

In following State of Wisconsin Emergency Order 12 "Safer At Home" the golf course and clubhouse will be closed until April 24th, the order is rescinded or golf is clarified as exempt as it has been in a few other states. This order just came out today and what we know so far is:

- ⌘ Our professional association leaders are working with Governor Evers Administration to obtain a clarification because golf is neither banned or allowed in the order. Some other states have allowed golf with guidelines to ensure safety and others have not.
- ⌘ The golf industry has taken steps in the past few months to keep golfers safe with optional online check-in, less touch points around the clubhouse and on the course and a lot of extra sanitizing.
- ⌘ We know golf is a relatively safe activity once you are on the course. However we are not sure golf is essential even though we realize some of you will have withdrawal and anxiety from not being able to play. We will not name you... but we all know who you are and we share your pain.
- ⌘ We will pick up the flag poles and ask golfers not to sneak on the property. Violating the order is punishable by a fine

of \$250 and/or 30 days in jail. We do not need trouble because you played, and we do not want you to get in trouble for playing.

- ⌘ At this point we are able to maintain the property so the course will be ready for you when the shutdown is over. Fine turf cannot be ignored for a month or more and then be just instantly ready to go.

## In The Meantime

- ⌘ **Stay safe and best wishes of good health to you and your family. Your health is more important than the game.**
- ⌘ Remember to support the many restaurants that are offering takeout to keep their doors open and employees employed.
- ⌘ Our [ONLINE STORE](#) is open 24/7 if you need a gift card or want to pay for your membership or punch cards so you are ready to go when the season starts back up.
- ⌘ We will monitor the email and phones during the shutdown so feel free to contact us.
- ⌘ LEAGUES: We are suggesting leagues use their schedule format and rules from 2019 and obtain their rosters through email so they are ready to roll when this is over. Our staff will be able to help you with this.
- ⌘ Outings: We realize many of you are nervous about how this will effect your May and even June outings. Obviously know one knows what our immediate future holds. If you want to schedule a "tentative" replacement date we can help you with that.

## Humor On The Links

A friend of Henry's dies suddenly. A week later, he comes back

to tell his friend how great Heaven is.

"Henry," he says, "you won't believe it, but there is golf in Heaven."

"That is wonderful!" Henry replies.

"Don't be so thrilled," his friend tells him. "You have a tee-off time scheduled for Saturday."

**The sun will set on this challenging time  
and rise to shine on a better day.**
